OPEN NEW TUBERCULOSIS SANITARIUM -- Belgrade, Borba, 3 Jun 51

Kopar, 2 June -- A new tuberculosis sanitarium was recently opened in Ankarane near Kopar. Five million dinars already have been spent on building and equipping the sanitarium. Additional construction work is being done; when the sanitarium is completely finished, it will accommodate 200 patients.

A new sanitarium for tuberculosis of the bone is to be opened this year in Valdoltriže near Kopar. Work is now in progress on equipping and enlarging the buildings.

A 30-bed section for children will soon be completed at the Kopar Hospital.

URGE EXPANSION OF TUBERCULOSIS SECTION -- Ljubljana, Slovenski Poročevalec, 30 May 51

The tuberculosis section in Maribor, which has 85 beds, should be enlarged as one out of every eight sick people in the Maribor area is tuberculous.

Until recently, Dr Franjo Radsel was the only doctor there. He now has two associates.

FIRST CLASS GRADUATED FROM SARAJEVO MEDICAL COLLEGE -- Ljubljana, Slovenski Poročevalec, 30 May 51

Ninety students, the first class to be graduated from the Sarajevo Medical College, recently completed their studies.

The college has been expanding rapidly since 1946. It will soon have an anatomical institute and two laboratories. The library has over 30,000 volumes.

TO COLLECT PANCREASES FOR PRODUCTION OF INSULIN -- Belgrade, Borba, 7 Jun 51

Osijek, 6 June -- From now on, the pancreases of slaughtered cows and hogs will be collected at central slaughterhouse at the "Belje" and "Beli Manastir" State Farms. Special refrigerators are under construction to store the pancreases until they are shipped to the "Pliva" Factory, Zagreb, which produces insulin.

To date, pancreases used in the production of insulin, have been imported by Yugoslavia.
